

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

REGION IV

345 COURTLAND STREET, N.E.  
ATLANTA, GEORGIA 30365

MEMORANDUM

DATE: MAR 11 1992

SUBJECT: Request for Duplicate Aerial Photographs  
Medley Farm Superfund Site  
Gaffney, Cherokee County, South Carolina

FROM: Ralph O. Howard, Jr. *Ralph O. Howard, Jr.*  
Remedial Project Manager  
North Superfund Remedial Branch  
Waste Management Division, Region IV

TO: Gordon E. Howard, Jr.  
Project Officer  
EPA/Environmental Photographic Interpretation Center  
Warrenton, Virginia

Enclosed are 11 x 14-inch photocopies of the only overflight photos the Region has. Please provide duplicates if possible, as we discussed March 10th. The Potentially Responsible Parties' contractor has requested a copy for use in their upcoming design work, and it seems reasonable to provide it to them. I assume this will be charged to the oversight account for enforcement at this site. Needed are one copy the same size as we have (about 8-1/2 by 14) and two blowups, whatever the next legible size up is.

Please call me at FTS 257-7791 if there are questions.
